April 15, 2010

CALL FOR BIDS—NEW FIRE STATION NO. 5, PROJECT 09-32

This is to advise you that sealed bid proposals for Fire Station No. 5, Project 09-32, will be accepted from General Contractors on the enclosed Approved Bidders List at the Mountain View City Clerk's Office, City Hall, 500 Castro Street, Third Floor, Mountain View, California, 94041, until:

2:00 p.m., Thursday, May 20, 2010

This project will replace the temporary Fire Station No. 5 located at the northeast corner of North Shoreline Boulevard and Crittenden Lane in Mountain View with a new permanent fire station on the same site and generally consists of the construction of a two-story, approximately 10,500 square foot, new fire station building to essential facility standards and includes all pertinent civil, architectural, structural, mechanical and electrical work and all associated site work improvements as described in the plans and specifications. The cost of the construction contract work is estimated to be in the range of \$5.5 million and \$6.5 million.

Subcontractors who are interested in bidding this project can pick up one set of plans and specifications at the Public Works counter for \$75. If you desire the City mail to you the plans and specifications, please send an additional \$15 for each set required to cover the City's cost for labor, materials and postage. CDs containing PDF files of plans and specifications are available for \$12 each.

Subcontractors shall submit their bids to general contractors on the enclosed Approved Bidders List. All questions and inquiries should be directed through General Contractors on the Approved Bidders List. Final bids will only be accepted from general contractors on the Approved Bidders List. Bids submitted from those not on the Approved Bidders List will be returned unopened. Please return plans and specifications to the City for reuse after bid due date and when you have no further use for them. However, no refund will be made on the returned plans and specifications.

Contractors bidding the project are strongly encouraged to attend a prebid conference prior to bidding. The prebid conference is scheduled at 10:00 a.m. on Wednesday, April 28, 2010, at MOUNTAIN VIEW CITY HALL, PLAZA CONFERENCE ROOM, 500 CASTRO STREET.

FREDERICK F. FALLAH, AIA, SENIOR PROJECT MANAGER
